My Florida 511 is a free service for motorists to obtain information on road conditions, traffic, and road closures.

When callers dial 511, the service automatically connects to the most local 511 service available from the current location. However, you can transfer to other Florida areas or states from any Florida location.

Through Florida 511, you are able to receive information about state roads across the state including:

- Roadway blockages and lane closures

For more information, call 1-800-955-5111 or visit [www.fl511.com](http://www.fl511.com).

Call or visit [www.fl511.com](http://www.fl511.com) for more information on road conditions and road closures.

The Florida 511 website provides motorists with real-time information, weather alerts, and transportation information and customer feedback.
